

# SENIOR YEAR SCHEDULING INSTRUCTIONS

## FOR THE

### 2023-2024 ACADEMIC YEAR

(Future Seniors)

#### GENERAL INSTRUCTIONS

**ENTER REQUESTS IN POWERSCHOOL:** <https://siprep.powerschool.com/public/> Click on **Class Registration** in the Navigation bar along the left.

**DEADLINE TO FINISH ONLINE REQUEST ENTRY: TUESDAY, FEBRUARY 21.**

***NO COURSE MAY BE USED MORE THAN ONCE FOR ANY PURPOSE--INCLUDING AS AN ALTERNATE.***

**IMPORTANT NOTE:** You must include requests for your RESOURCE period. Be sure to request both FALL and SPRING semesters.

You must be in class or a supervised study hall six periods of each school day. (The Resource Period is the seventh period.) Check the Course Catalog for course prerequisites. Make sure you are eligible for the courses you select. If you have any questions, please see your counselor. Department Chairs reserve the right to approve requests for honors or advanced placement courses. While it is important to take a rigorous course load, taking too many AP/Honors courses can be detrimental. Be sure to think carefully about your AP/Honors course load and discuss it with your parents and counselor. This is especially true if you plan to take more than two AP/Honors courses.

**Please Note:** Every effort will be made to accommodate your course requests, but there is no guarantee that you will receive all of the classes you request. In particular, all courses are subject to class size limits. Students will be scheduled for courses in order of graduation year (Seniors first, Juniors second, etc.). In some cases, it may be necessary to assign you to a course you did not request in order to complete your schedule and meet academic requirements. **To maximize your chances of being assigned your requested courses, it is essential that enter your schedule requests properly – including the required number of alternates. No course may be used more than once for any purpose -- including as an alternate.**

### STUDY HALL

If a student takes a summer school equivalency course at SI in the Summer of 2023, he/she may take one study hall period for each semester of equivalency. This is in addition to the Resource Period given to all students. Only one study hall per semester is allowed. **No choice of semester or periods will be offered—Study will be placed where it fits with your classes.** If you are eligible for study hall, you may enter the following:

**9601** ONE Semester of Study Hall

**9601 AND 9602** TWO Semesters of Study Hall

### SUMMER SCHOOL

If you plan to take a summer school course, you must register for the course on the Summer School Website at [www.siprep.org/summer](http://www.siprep.org/summer) and pay the fees. Do not delay, as summer school courses often become full rapidly. **The Summer School registration site will open at 10 AM on February 14.**

Students normally take a study period in the academic year after they have taken an SI summer school course. If your intention in taking a summer school course is to enroll in an additional course during the following academic year, please note that seats may not be available to accommodate your request for the additional course. We will make every effort to place you in the additional course, but there is no guarantee, so, **you should take a summer course only if you are willing to take a study period instead.**
